Click  to add a new book. You can see it in Section 16

4) Comment Management

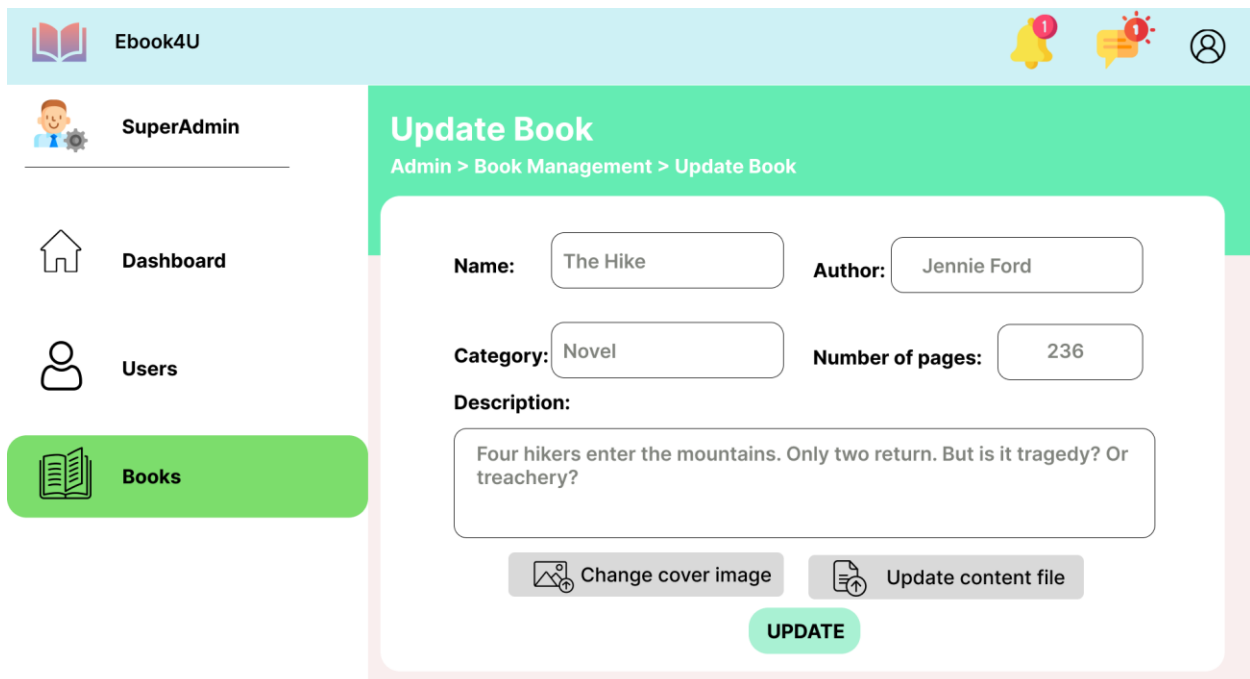

The screenshot shows the EBook4U dashboard with the 'Comment Management' section active. The left sidebar contains a 'Books' button. The main content area displays a table of comments with columns for ID, User name, Content, Reply to, and Action. Each comment has a delete icon in the Action column.

ID	User name	Content	Reply to	Action
201	messi1987	I like this book		
202	ronaldo1985	This is helpful website	204	
203	neymarjr	Excellent!		
204	kylianmpabbe	I will share this website to my friend	202	

Click  to delete a comment

5) Update a book

The screenshot shows the EBook4U dashboard with the 'Update Book' section active. The left sidebar contains a 'Books' button. The main content area displays a form to update a book's details, including Name, Author, Category, Number of pages, and Description. There are also buttons for 'Change cover image', 'Update content file', and an 'UPDATE' button.

Name: **Author:**

Category: **Number of pages:**

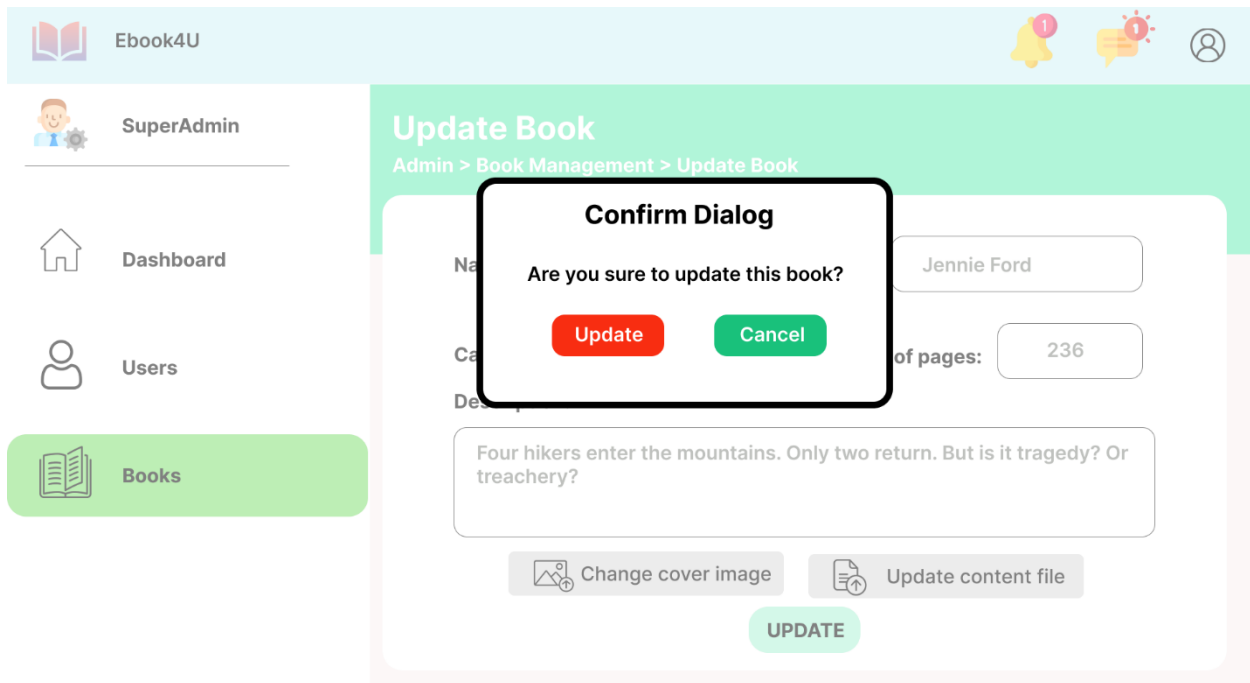

Description:

UPDATE

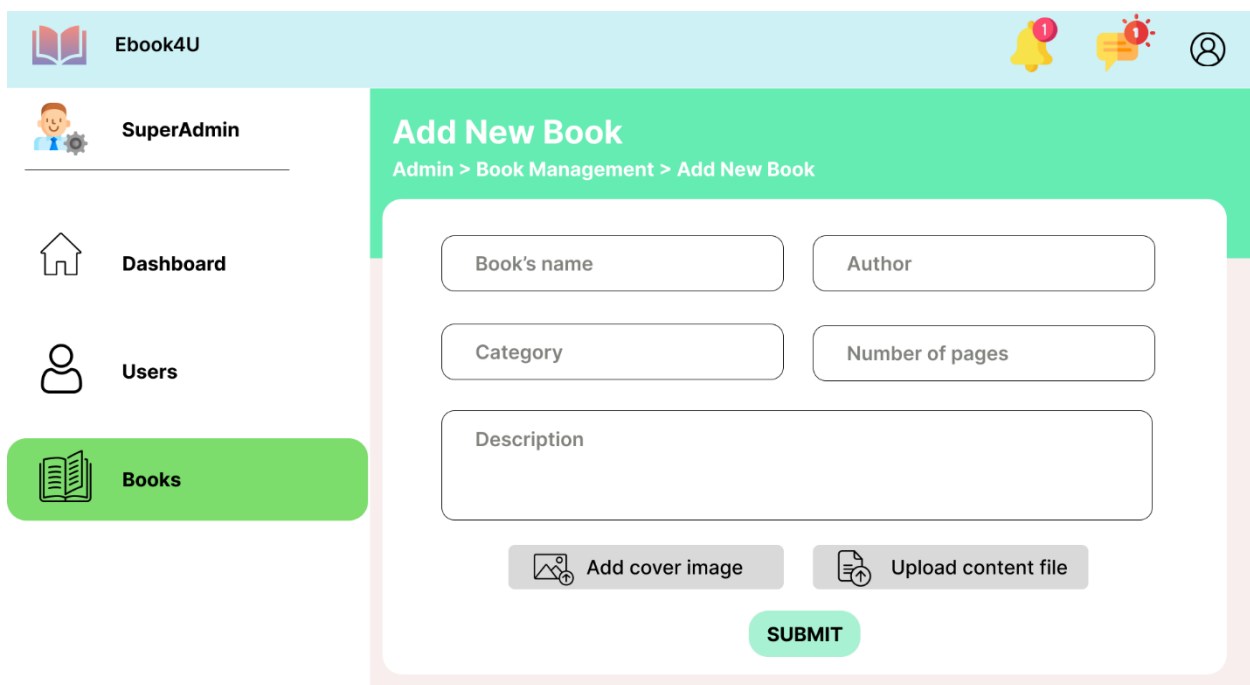

You need to enter new information of the book and press **UPDATE** button to submit.

After that a confirm dialog will appear.

The screenshot shows the 'Update Book' interface. On the left is a sidebar with 'Ebook4U' at the top, a 'SuperAdmin' profile, and navigation links for 'Dashboard', 'Users', and 'Books' (highlighted in green). The main content area has a green header 'Update Book' and a breadcrumb 'Admin > Book Management > Update Book'. A modal dialog titled 'Confirm Dialog' is centered, asking 'Are you sure to update this book?' with 'Update' and 'Cancel' buttons. The background form contains fields for 'Name' (Jennie Ford), 'Category', 'Number of pages' (236), and 'Description' (Four hikers enter the mountains. Only two return. But is it tragedy? Or treachery?). At the bottom are buttons for 'Change cover image', 'Update content file', and a green 'UPDATE' button.

6) Add new book

The screenshot shows the 'Add New Book' interface. The sidebar is identical to the previous one. The main content area has a green header 'Add New Book' and a breadcrumb 'Admin > Book Management > Add New Book'. The form contains input fields for 'Book's name', 'Author', 'Category', and 'Number of pages', followed by a larger 'Description' text area. At the bottom are buttons for 'Add cover image', 'Upload content file', and a green 'SUBMIT' button.

You need to enter all information of the new book.

Click  Add cover image to add a cover image for the book

Click  Upload content file to upload the content file. It can be a .docs, .pdf, ... file.
